DESCRIPTION

Spacious, detached Mediterranean-style villa in Montemar, Benissa Costa, situated on a corner lot of 1,056 m² with stunning panoramic views of the sea, the valley, and the port of Moraira. The home features 235 m² of living space, 5 bedrooms, 3 bathrooms, a living-dining room, a renovated separate kitchen, and spacious outdoor areas with a garden, gazebo, and hot tub. It includes a private garage and central heating with a new diesel boiler. The south-facing, virtually flat lot offers the possibility of installing a swimming pool. Built in 1973 and in need of renovation, it represents an excellent opportunity to create a personalized Mediterranean villa in a quiet and well-connected location, just an 8-minute drive from Benissa, Moraira, and Teulada.
