DESCRIPTION

Ref:VV-1-27 This is a truly paradisiacal villa in which besides living in it and enjoy it you acquire a small business that is currently generating annual profits (between 40,000-50,000 €). It is a traditional Spanish village with a medieval touch and is located in a paradisiacal enclave (the coastal road between Calpe and Moraira). The villa is distributed over two floors with 8 bedrooms in 5 different apartments. This makes it a fantastic choice for vacations in Spain all year round, ideal for large families and groups. This villa already has very good reviews in various portals and loyal tenants who repeat every year, highlighting the unforgettable aroma that is breathed and the attractiveness of the Hammam of a Thousand and One Night. It is being sold because the owners are already quite old and want to retire to a smaller house. The villa has two floors. The main floor has two bedrooms, each with extra large double beds, one of them en suite and another toilet and washbasin next to the living room. Internal and external stairs lead to the 5 apartments on the first floor. The hou...
