DESCRIPTION

Ref : VV-1-17 This magnificent villa for sale nestled in the lush green mountains features a modernist design with straight, minimalist lines and large panoramic windows. The house has a high quality construction and the best materials available in the market. The project is executed in three independent cubic volumes of reinforced concrete, which are arranged in such a way that all the spaces are centered on the panorama of the Mediterranean Sea. This layout provides an exceptional view of the entire bay and beaches of Benidorm, and guarantees natural light and warmth throughout the year. The house has a total of 581 m2 located on a plot of 1,004 m2. Each of the three blocks is organized on 3 levels with large, open, double-height spaces. It has a total of 4 spacious bedrooms and 5 bathrooms, all of them with top quality finishes. The main floor includes a spectacular gourmet kitchen with island, spatially connected to the dining area and the living room. This floor has direct access to a large swimming pool with a wooden perimeter deck. In the basement there is ample parking for 6 ...
